

Training Outline

IMPEL-TFS Enforcement Actions in Portugal

3rd june – Lisbon

1. Trainer's professional experience in brief

	<p>In 1998 I started working in the Nature Conservation Institute, as Park Ranger. Later, in 2004 I joined the IGAMAOT as an environmental inspector. Since last January, I have been working as Head Unit of the team responsible for the cross inspective control I'm an agro-forestry engineer.</p>
<p>Name: Marco Candeias</p> <p>Current Position & Organization: Head Unit of the team responsible for the cross inspective control, IGAMAOT</p> <p>Contact: +351 2132215501</p>	

2. Learning objectives

Participants should understand how the IMPEL-TFS network works in Portugal, namely their members, roles and how the cooperation is promoted between them.

They should also acknowledge how IGAMAOT prepares and operationalises the TFS enforcement campaign which will take place on the 4th and 5th of June in five borders between Portugal and Spain.

3. Training session abstract

IGAMAOT and TFS inspections

The different "actors": IGAMAOT; Portuguese environmental agency, Customs and Police;

Types of inspections: Roads, ports, companies, borders

The inspection programme (schedule) for the 4th and 5th of June:

Borders - distribution of participants
